## Power up your app stack with

Dext Prepare and ApprovalMax are a powerful app stack combination and have an integration that reduces huge amounts of manual work and admin for your finance team.

If your finance function spends large amounts of time on repetitive manual tasks, then you should consider stepping into the world of automation.

**Dext Prepare** is a brilliantly simple way to bring all your paperwork together in a standardised, digital format. Whether it's a receipt, an invoice or a bank statement, upload it and Dext will extract the data you need, then send it to your accounting software.

**ApprovalMax** is the #1 tool to get your bills and expenses approved quickly. It replaces paper and email approvals and allows your team members to quickly approve bills and expenses via the web app or mobile app. Not only does it streamline the accounts payable process, but it also gives you better spend control and helps with regulatory compliance.

### Benefits for accounting firms

- ✓ Increase process efficiency and make scaling easier
- ✓ Always know which bill has been authorised for payment
- ✓ Share financial accountability with your clients' budget holders and decision-makers
- ✓ Enhance the cash flow forecast with complete and accurate data

### Benefits for accounting clients

- ✓ Enforce financial controls and proper authorisations
- ✓ Boost data security by keeping non-accounting staff out of Xero
- ✓ Improve team productivity with mobile apps and approving from the email notification
- ✓ Establish fraud prevention and detection capabilities
