# Don't just take our word for it...

*"We've used Xero for Red Door Project right from the very start. I couldn't imagine having to do any kind of payroll, invoicing, billing or anything else, manually or on paper – that would be an absolute nightmare for us."*

**DAN REILLY**  
Director and Construction Manager of  
Red Door Project

*"Xero delivers payroll, gives us a forecast for our super liabilities so we can view them easily, and helps us complete our BAS and submit it electronically to the ATO – each one of these things removes levels of effort we have to go through. Put simply, Xero reduces the workload on our operations and finance team."*

**EVAN DAVEY**  
Chief Operating Officer of Two Bulls

*"Xero STP solutions save us time. It spares us the trouble of doing payment summaries and allows us to simplify clients' compliance tasks."*

**PAUL CUNNINGHAM**  
Senior Manager of SMART Business Solutions
